

# Physics Seminar

Wednesday 1/16/2013, 4:30 pm  
Science & Engineering Building Auditorium

## Randall D. Peters

Professor Emeritus  
Department of Physics  
Mercer University

## Benefits of Research Team Synergy

Several examples from the speaker's career while at Mercer University and beyond will be discussed. Projects conducted in concert with talented individuals with complementary expertise led to gratifying experiences, research discoveries and publications.

*Please join us for light refreshments at 4:15pm  
outside SEB 203.*
